

The Advantage BT-4 Printer

Advantage Route Systems uses the latest in portable thermal technology. It allows a professional invoice to be printed on route. The handheld and printer unit is the perfect solution to increase accuracy and efficiency during the delivery process. ARS recommends the Advantage BT-4 printer because of its many features, small-lightweight size and the affordable price tag. We listed some of the printer features below.

- Pocket size 5.4 x 3.5 x 1.75in (137.16mm x 88.9mm x 44.45mm)
- Light weight (15oz) for true portability
- Very silent printing thru direct thermal printing method
- High speed (1-1/2 in /sec) 4 mm/sec
- High resolution (203 dpi:8 dots/mm)
- RS-232C and Bluetooth
- Leather holster available
- Easier maintenance with self-diagnostics
- Uses paper "PA-BT4" sold on www.PDA4USA.com
- Microsoft windows CE/98/ME/2000 Pocket PC OS compatible
